Journal club signup

Hi all, thanks for your patience as I got the journal club signup posted!

We're going low-tech - everyone must sign up for exactly 1 journal club paper, and all assignments are first-come, first-served. **Simply add a reply to this discussion thread with the week number of your preferred paper from the table below**, making sure nobody has already signed up for it.

All papers can be found on Box (Pennkey login required):
